À LA CARTE MENU

You choose what satisfies your cravings.

We love good food, which is why we offer a menu that reflects what we believe in: craftsmanship, local traditions, and quality ingredients, but also creativity, experimentation, seasonality, and zero-km products. We support small local producers in our valley, sourcing their fresh, high-quality ingredients.

In addition to our kitchen's dishes, you will find wood-fired pizzas made with locally sourced flours.

We love a good drink, and we personally select wines from our region and beyond, as well as craft beers.

With your stay reservation, a table will be reserved for you
