You choose what satisfies your cravings.

We love good food,

which is why we offer a menu that reflects what we believe in: craftsmanship and traditional dishes, but also creativity, experimentation, seasonality, and local products.

We support small local producers in our valley, sourcing their fresh, high-quality ingredients.

In addition to our kitchen's dishes, you will find wood-fired pizza made with locally sourced flours.

We love to drink a lot,

we personally select Italian wines and more,

There is no shortage of local beer produced by our friends at ALP "Birrificio di Acceglio"
